Todd COUNTY
Resource GUIDE

Orthopedic surgery at Lakewood

Search

Dr. Paul Thompson,
Orthopedic Surgeon

Anything, but routine.

For nearly a decade, the Joint Connection orthopedics program at Lakewood has been improving the lives of patients. In fact, 100% of patients surveyed in 2018 said they would recommend Joint Connection to others! Whether it's a total knee, hip, or shoulder replacement, ACL repair, or even a hand or foot procedure, Lakewood offers the experience and expertise you need to get back to your active lifestyle. **#colormeorange**

Todd Soil & Water Conservation District

What is a Soil & Water Conservation District (SWCD)?

- A local unit of government with five locally elected Supervisors
- Provides local leadership and direction for applying conservation on the land through technical assistance and cost-share dollars
- Coordinates the activities of Federal, State and Local Agencies to provide conservation services and monies
- Develop conservation plans, educational programs, technical information and demonstrations utilizing the expertise of its own employees
- Works with Farmers, Lakeshore Owners, Rural Residents, other individuals, corporations, cities, townships and other county divisions to plan and install conservation measures

What can a SWCD do for YOU?

Landowners, land users and units of government can receive technical conservation assistance, by making a request to the SWCD District.

Types of Conservation Projects:

- Closure of outdated Ag Waste pits
- Installation of Ag Waste Pits & Stacking Slabs
- Buffer Strips and Filter Strips
- Exclusion Fencing – alternative waters
- Field Windbreaks
- Grass waterways
- Grazing Management
- Shoreline Restoration
- Steambank Restoration
- Tree Plantings
- Water and Sediment Control Basins
- Well Abandonment
- Livestock Crossings

Types of Financial Assistance available:

- Cost Share – Can cover up to 75% of the projects costs
- Low Interest Loans (3%)

SWCD Programs:

- Buffer Program
- Feedlot Program
- Tree Program
- Wetland Conservation Act Program
- Aquatic Invasive Species
- MN Ag Water Quality Certification

Pull the Plug on Aquatic Invaders

Actions Required by Law:

- ✓ **Clean** all aquatic plants, zebra mussels, and other prohibited invasive species from your boat, trailer, and equipment *before* leaving a water access.
- ✓ **Drain** water from boat, livewell, and portable bait containers *before* leaving a water access. **Remove drain plugs and keep out while transporting boat.**
- ✓ **Dispose** of unwanted bait - including minnows, leeches, and worms in the trash.

Long Prairie

Bertha Clinic Services

At Tri-County Health Care – Bertha Clinic, we are dedicated to serving you with All Heart. From a cheerful hello at registration to the provider who compassionately listens to your story, you'll feel just like family the moment you walk through our doors. Whether you're seeking primary care, an annual physical, X-rays, labs or other services, All Heart will be at the center of your care.

all heart

Caring for you isn't just our purpose.
It's our privilege.

Hospital Services Available in Wadena

Emergency Department – This Level IV Trauma Center is available 24/7 and includes Telestroke video conferencing for stroke patients, as well as ground and flight ambulance crews.

ReadyCare – ReadyCare provides walk-in care and same-day appointments for illnesses and injuries that do not require emergency room care, such as colds, flus and minor injuries.

Diagnostic Imaging – Services include MRI, CT scan, 3-D mammography, X-rays, minimally invasive breast biopsies and more.

Orthopedics – Ben Robertson, M.D., uses a patient-centered, team-based approach to deliver services such as total joint replacements, fracture release, rotator cuff repair and more.

Minimally Invasive Surgery – Patients often return home the same day and can expect a 2-3 week recovery period. Other benefits include less pain and less scarring.

Cancer Care – An oncologist and oncology nurse practitioner guide patients and provide chemotherapy, oral chemotherapy navigation, fluid hydration and port placement in a private setting.

Midwifery – Certified nurse midwives deliver holistic care from prenatal to postpartum, as well as a full range of primary health care for women from adolescence to beyond menopause.

Behavioral Health – Psychiatry and therapy professionals assist those needing medication management, ongoing individual therapy and other psychiatric services.
